LIBRATONE

### **About Libratone & our mission to free the sound**

Founded in Denmark in 2009, Libratone's goal has always been to set sound free, by creating wireless technology that can be enjoyed anywhere, anytime. Everything we make is the result of our ceaseless passion for engineering and design. Whether speakers or noise cancelling headphones, we innovate and push wireless potential to its limits, in order to create rich, authentic sound. Sound that we bring to life with timeless, Danish design. Creating the perfect harmony of form and function.
